Entering Contest at which location? _____ Date: _____

I understand that my chili is to be fully prepared prior to the preliminary and, should I advance, the final contest. The top three entrants from each of the three preliminary contests will advance to the finals, which will be held on February 28 at Waubsoonee Community College in Sugar Grove. There will be a \$500 cash prize awarded to the final first place winner at the February 28th contest. All other finalists will receive consolation prizes.

I understand that there is a \$10 non-refundable entry fee that should accompany this registration form. Entrants who do not rank in the top three at a preliminary contest can re-register at another location as long as they re-register on a new form and pay an additional \$10. I also understand that as an entrant my photograph may be taken and used in any media the Association for Individual Development deems appropriate.
